Remarks:
(A) DH is a holding company. BDDC group is made up of a combination of two DC assets. DH was part of the shareholder block of one of the asset, so they rolled up to PT BDDC. Understand from management that DH's shareholder Angelo is also the CEO of the data centre asset group. DH shareholder has the interest of two DC assets. Subsequently in 2025, the two DC - RDK & PCDC become Joint Ventures. Please refer to <24 - BDIA Group Structure & Shareholding Info> for subsequent Group Structure updated up to March 2025.
